

Discoveryland News

I don't know about you, but I LOVE fall! I love the change in weather, the way nature reminds us to slow down and to stop to enjoy the next few months of festivities, family and friends. It's the beginning of the thankful time of the year. I know, we should always be thankful for what we have all year round, but fall is the start of tradition and I for one am excited. We have a full month ahead of us, so stay on your toes.

Thank you for coming out to the Parent Orientation. It was nice to have new and old faces here for the evening. I hope we were able to impart important information to you and your little humans. Don't forget, we are always available for you whether it is in person, via phone or email. We are here to help you the best we can regarding the growth of your child. You are a part of our school Family and we are thankful and blessed to have each one of you.

With the change in weather comes change to our center. As you know, Ms. Odilia is no longer with us full time. She will be substituting for us when she can, so hopefully you will still get to see her smile and hear her laugh every now and then. We have Mrs. Nancy Garcia who will be replacing Ms. Odilia in room 2. Mrs. Nancy has been a part of our school for many years. Her daughter attended our preschool and now is a part of the Foothill family along with her middle son. Her youngest currently attends our school. We are excited to begin this journey with her and Ms. Tania as the teachers in Room 2.

Room 1 will be introducing Ms. Yaneth as the co-teacher soon. We all have seen her working hard in the kitchen with Ms. Martha. She has a son in Foothill and has been

with us a couple of years now. Ms. Yaneth has always been interested in being a teacher and is currently working on her degree in ECED. We are excited to give her this opportunity to work with us. Ms. Kim will still be helping out in the classroom as well as substituting for us on a regular basis. We know all of you will enjoy having Ms. Kim work with your kids when she can. Ms. Kim has such a creative, loving energy that we know sharing her with the whole school will be a blessing for us and you.

Some important dates to remember:

October 4 is picture day. Things can get a little hectic, but we have been doing it for many years now so don't worry. We will do our best to have cute faces ready for the camera.

October 22 is our annual field trip. This year we will be going to Uesugi Farms/Pumpkin Patch in San Martin, which is a small town next to Morgan Hill. I will be sending home permission forms and also an information sheet for you as well. Please remember we require a parent to chaperone the child, and if need be a friend to this function. If you are willing to take another child from your child's class, please work it out amongst yourselves.

October 31 is our dress up day. We do not celebrate Halloween at our school, but we do want to allow children to share their costumes with us as long as they are not scary. The teachers will be dressed up that day too, so it should be a fun day. I can hardly wait!

That's about it, folks. Thank you for giving us your wonderful, funny and sweet children. We love coming to work to get little hugs and smiles. It is OUR pleasure to serve you.

Ms. Penny Corpus, Director

Dates to Remember

October
