

Discoveryland News

- L** – is for the laughter we share.
- O** – is for the others we care for.
- V** – is for the valuable lessons we learn here at school.
- E** – is for evolving into wonderful little humans who love with all their hearts.

We have entered into February with our hearts full. Full of gratitude for the many students we have enrolled in our center. We are completely full to the max with little ones ready to learn new things with us. We are full of love and appreciation for our teachers who dedicate their life to, not just teaching, but to hugging and loving, to assuring and encouraging, to wiping away tears and noses when they are sad, and to teaching them about what is in our hearts - that God created a one and only special, incredible YOU.

We are full of blessings. Please go forward with love in your hearts and share it with, not just the people you know and love, but with those who may be down and need it the most. You can write simple note to say you are thinking of them. Have a wonderful love-filled month.

HAPPY FRIENDSHIP DAY

Some things to remember: Each class will be celebrating Friendship Day.

Make sure you get information from them regarding what may be needed for that day, as well as the number of classmates, so your child can pass out goodies.

We will be closed for President's Day on the 17th. Please find alternate care for your child that day.

As most of you are aware, we are **requesting a Doctor's note**, stating that your child is clear to return to school and that they are not contagious, if they are sick for more than two days. We are taking every precaution we can to ensure the well-being and safety of your child and our staff. I know it is difficult to keep sick children home when we have so many working parents, but we do need everyone to be vigilant in watching for signs of illness. We will also be extra cautious here at school. If your child has a fever, vomiting or diarrhea, we will be requiring you to pick them up from school ASAP and to follow our sick policy which is stated in the handbook. Thank you for understanding why this is a necessity at this time.

Thank you for allowing us to shower love onto your little ones in this month of February.

Sincerely,
Penny Corpus
Director
