DECEMBER 2020

December showed up with festive lights, a gleam of excitement in its eyes and joy and love wrapped up with bows and ribbon. What is it about December that brings out such feelings in us and kids? There really is a difference in how we go about our day when this time of the year rolls around. I think it is the fact that we are all in love with giving! I am not going to leave out getting as well. Let's be honest, we all love to get surprises from one another. And, especially kids.

this a lot until we are full at the seams again. And even then I will still be saying Thanks because you play an important part of our existence and for that I am grateful. So may December give you as many feels as it does me. Enjoy the ones who are in your life and remember they are the gift that keeps on giving.

public. I try not to get too caught up in all that because I know we are doing our part here at school. I thank you for trusting in us to keep everyone safe.

With much love and Christmas cheer, Ms. Penny, Director

They know what the holidays are all about. We also get the opportunity to share with them other aspects such as giving to the less fortunate. And I believe this year there are a lot of people less fortunate than us. Take the time to reach out to a local organization that provides services to the needy and see if you and your family can make a difference in the lives of someone else this year. Here at school we also share the love of God and how He came down to live among us and share the gospel with us. Showing us what the true meaning of life is. And as we go through this month, I hope you and your family will continue the tradition of giving and sharing. We view you sending your children to us as the greatest gift. We are able to continue being here for the community, our staff and teachers because of you. I will be saying

Please remember we have a half day on December 18. This is the beginning of our Christmas break until January 4th. Please stop by the office if you are filling out a vacation leave for this time. Ms. Jackie will be more than happy to help you out.

Last but not least, please be assured that we are continuing to be vigilant in our sanitizing of our center and following the procedures required by the state and CDC. I know many of you have concerns because it is the flu season. We are aware of this as well, therefore we are being extra careful with how we conduct ourselves here at school. We continue to remind and teach the children how to be safe and healthy. There are a lot of articles about the virus. The news is constantly sharing things to the
