# Discoveryland News

Happy June! It already feels like summer even though the official first day of summer isn't until June 20. We already have adopted the California summer vibes with all the sun and warmth we are having. Graduation is over and we are ready to have a fun filled summer program. It was sad to see some of you leaving before summer is over, but we are happy you and your families are taking the time to be together, go on vacation, and enjoy the things that we haven't been able to for the last year. Many of you I will see in the fall at our sister school, Foothill SDA Elementary. We are blessed you have decided to continue your education here with the friends you made during your preschool years. That is a gift that keeps on giving. We have beautiful stories of kids who went through school together here and are still friends. Their kids are friends and the bonds they created during their years here are still strong. So thank you for being a part of our family. We are happy we were a part of yours.

As I mentioned, our Summer

Fun Camps begin June 14 and end on August 17. We have a list of what the theme for each week is posted in the office. Encourage your friends and neighbors to come join us for this super fun time before school starts in August. There are still many children who may need a school setting to get accustomed to before they go to Kindergarten. We can help them with that here at Discoveryland. We are also happy to announce Tuff Tumblers is back in business! We have enjoyed their services for many years and are glad they have restructured their program to provide a safe way for your children to get some extracurricular activities at our center. Please check for the flyer in the office and call them directly if you have any questions or concerns.

Last month we celebrated our Mothers. This month we honor our Fathers. Let's make sure they know how much we appreciate them for working hard to support their family. Fist bumps to all the Dads out there.

That does it for me. Please check the other notices on our newsletter to see if I missed anything. Have a wonderful month of June. Appreciate the wonderful space that surrounds you and the lovely people that occupy it.

*Sincerely,*  
*Ms. Penny Corpus, Director*
