JANUARY 2022

Happy New Year and welcome back to our school family!

I trust everyone had a lovely time with family and friends. It is that time of year when we begin again. Make plans and resolve to make ourselves better people and the world a better place. Here at Discoveryland, we also strive to be better. Thank you for keeping us on track by letting us know how we can improve. You are always welcome to speak with me or send me an email with your ideas or concerns.

We have some important things going on this month. We have a school closure on the 17th for Martin Luther King Jr. Day. Please make alternate plans for your child that day. We will also be celebrating and learning about Lunar New Year. If you and your family have special traditions you would like to share with your class, please let your homeroom teachers know and we can share it with the class. January 30 is our annual open house. This is open to the public and to you. Please come and visit us. We would love you to share our school with your friends, family and co-workers.

We have a wonderful referral plan for our families who refer

people to our school. Please ask the kind ladies in the office and they can share the details with you. Our sister school Foothill Adventist Elementary will also be holding their open house on the same day. Please head over and visit then as well. We look forward to seeing you here.

Just a few last minute reminder: It is cold out. Please provide a warm jacket labeled with your **child's name in it**. We are accumulating quite a collection of jackets and sweaters with NO names on them. They are in our lost and found. Please be aware of what jacket your child owns. Many times children will have the same jacket as someone else in the school and take it home by mistake. This has caused some confusion, so please write your **child's name on their belongings**. Thank you.

Please go over our sick policy again in your parent handbooks. It is extremely important as there are new variants in our State. We would like to ensure all students are healthy. If your child is sick and goes to school sick, it is guaranteed Teachers and students will get sick as well. Please be respectful of others and keep your child home if they are sick.

Thank you.

Have a Great New month of wonderful beginnings.

Ms. Penny Corpus, Director
