2022

“Love one another as I have loved you.” This is one of my favorite Bible verses. It is such a good reminder to us that God’s love is greater than any of us can imagine, and for us to remember to treat others with the same love and respect that He shows us on a daily basis.

Thank you for supporting our school during the open house. We appreciate all of you who either came, or gave information to friends who showed up. We love that you LOVE our center enough to share it with others. We appreciate you.

It’s February and LOVE is the main theme for us this month. Valentines can be a tough time for kids. Schools are passing out notes and goodies to friends. And sometimes children get left out. They want to be choosy and only share and give to those who they consider their good friends. We can help our children remember that we are all friends at school. Our class is

like our family and we want to share love with everyone. So parents, when picking out and choosing items for Friendship day, let us remember to include the whole class. I good tip is to also have your child write their name on the tags, so kids know who it is from. But don’t write the individual names of classmates on the treats. This is time consuming for you and your child’s teacher. We want our friendship day to be full of fun and enjoy having friends that we love so much. I would also like to wish all of you a very happy Lunar New Year! Our students will be learning about the cultural significance of Lunar New Year and doing some fun activities. It’s going to be a great month!

Please remember to check the very important dates box. We will be closed on February 21. Please remember to find alternate care for your child that day. Thank you for allowing us to show God’s love to your little people. Have a happy love filled February.

Love,
Ms. Penny Corpus, Director
