

Discoveryland News

This month, "MAY" you find renewed energy and life. Spring always brings such wonderful things, minus the allergies this year. But it really does give us a lot to be energized about. Mother Nature has shown us by giving us new growth and beautiful weather. I think many of us feel different during the spring season. I know I do. I want to be outdoors a lot more and work in the garden. Take more hikes and ride the bike more. All wonderful things to do with your family as well. Spring also gives us that extra push to finish off the school year with our wonderful Pre-K class graduating and moving on in the fall. Some of you are deciding to join Foothill SDA Elementary in August.

This makes my heart so happy and means I can still see you on an almost daily basis. If any of you are interested in more information, please see our Administrative assistants in the front office. We would love to share our sister school **with you and continue your child's** educational journey here on the same campus. Our students have been working hard to get ready for our little program on May 26. We will be sending out more information to the **graduating families via your child's** weekly folders and emails from your home room teachers.

May is also the time to celebrate the women in our lives who have raised us and guided us through the years. Whether they live near you, or are far away, or we have lost them, we can still honor them by remembering all they sacrificed for us.

So to all you Mom's out there, I hope you know the roll you play in the lives of your children....and the work you do is immeasurable. We appreciate you and honor you. We have struggled to find an appropriate place for our end of the year field trip. What we would like to do is enjoy a morning with all of you here at our center. An email with more details will be sent out soon.

Thank you for taking the time and energy to help us raise money for playground toys. We raised enough to get some new things! I will share with you when they arrive! Room 3 had the most sales and will be rewarded with a pizza party!!!

It is with sad news that I announce **Ms. Nancy's resignation** from Discoveryland, we will miss her, but we wish her the best. Last but not least, May 2-6 is Teacher appreciation week. We are grateful for them throughout the year, but this week is especially for them. Please remember to check your email so we can all be on the same page as to how we are celebrating them and showing our THANKS! Have a wonderful Month of May.

*Ms. Penny Corpus
Director*

RATE INCREASE
Effective July 1st, 2022,
Discoveryland tuition will be increasing 5% for each program offered.
