

Discoveryland News

June is finally here.

Congratulations to our Graduating class of 2022! You survived the rigorous life of a Pre kindergartener.

You've made new friends and kept old ones; learned new things and grown so much. We are all very proud of you and hope you have a wonderful experience in your new school. Some of you will be right here at Foothill! I hope we wave to each other every day.

APPLAUSE

A HUGE thank you to everyone who came out and enjoyed our fun day with us on the 27th. Now you know what our fun days are like at school. We usually have more educational things at the tables during the school year, but this end of the year party was all fun and games. So Thanks for coming.

Although our year has been busy, fun and full of learning, it has also been dotted with challenges, changes and various other obstacles. So our staff is ready for a break from the daily routine of structure and academics. We are ready for our fun summer camps where all of us can put some of the stress and worries behind and just have fun watching the children be just that,

children. Our summer is chocked full of different themed weeks planned by the teachers. A list of fun camps is on the wall in the front office if you would like to plan ahead and know what we will be doing.

In last month's newsletter, the new tuition rates were announced. The change is happening next month so please remember when you make the first payment in July. The Office staff can help you with the new rates when you make the payment. Thank you.

I also wanted to remind you of the August 15-18 break. Our school is a year around school and taking time off to have meetings and get ready for the new school year is essential. We will be closed this week and our official first day of school is August 22. We hope you take this time to be with your families and little ones as they grow up so quickly and in a blink of an eye, they are off on their own and you will be remembering these years when they were so small. So enjoy this week off and treasure this time with them.

We look forward to an amazing summer and even better 2022-2023 school year.

With many blessings to you and your families.

Ms. Penny, Director
