

# Discoveryland News

Happy July to our school family.

It seems like so long ago...when we were just trying to get school started again, smack in the middle of the pandemic. We have worked hard to get to where we are today. Our enrollment is getting better and we have almost all of our teachers back full time. We thank you for your loyalty and your referrals to friends and family. Many of our current families are here because you have said wonderful things about our school. So thank you. I also wanted to remind our families the tuition increase begins this month. The 1<sup>st</sup> is already included in the payment schedule of June 27-July 1, so the new payments with the new rates begin on July 4. Summer Camps are also in full swing and the kids are having a GREAT time! If you have not checked our FB page, please do. We post regularly on there so parents can see all the great things going on at school. Many of you are moving on to Kindergarten soon. **Don't forget** our sister school, Foothill SDA Elementary school right next door. They are still accepting

applications if you are interested. We are excited that many of our graduating class will be attending Kindergarten, and we will still see them now and then. Please check in with the office staff for more information.

This July I think about where we stand as Americans. We have been playing a tug of war with continuing in a progressive forward motion and then back again to what seems like the dark ages. We are experiencing things that have changed our perspective and way of life in many ways. Highest gas prices we have ever seen, Covid still playing a part in the illness we see and numerous things that are weighing heavy on our hearts. But I am constantly reminded that we do still live in a FREE country where our decisions are seldom questioned. We can worship as we please, and we are able to freely go and do what we want. America, with all its issues is still a wonderful place to live. So as we celebrate the 4<sup>th</sup>, remember the great things we are able to do here and the freedoms

we take for granted. Have a blessed day off. Enjoy and be safe.

*Sincerely,*  
**Ms. Penny Corpus, Director**
